**FREE
&
OPEN
TO THE
PUBLIC!**

Thursday, May 28, 2015
7:00 - 8:00 PM

**Exhibition Hall at Kewaunee County
Fairgrounds**
4-H Conference Room #142
625 3rd Street
Luxemburg

POWER HOUR

This FREE, 1-hour program educates farmers, homeowners, and small business owners on the benefits of solar energy and demonstrates that solar power has never been cheaper or easier to install. Our goal is to help consumers interested in solar to navigate the complex process and understand their options.

Here's what we'll cover:

- Basics of a solar photovoltaic (PV) system
- Market trends
- Step-by-step process to determine if solar is right for your property
- Economic benefits
- List of high quality local solar installers

A Midwest Renewable Energy Association (MREA) representative will be there to answer your questions.
